**December 1, 2020, 1:30-3:30pm**  
[Via Webex](#)

1:30-2pm	<b>Debrief from the NSF Site Visit</b>	Please be prepared to share your thoughts, particularly those of you NOT on the Leadership Team.
2-2:45pm	<b>Self-Study on Alliance Model Development: Small Groups</b>	Looking back, what have we done well that other systems should replicate? What should we recommend others do differently/we should do differently moving forward?
2:45-3pm	<b>Group Share Outs &amp; Discussion</b>	
3-3:30pm (if time, allowing for first two conversations to take longer if need be)	<b>Looking Forward Brainstorm</b> Our priorities include the following: Standardizing recruitment, selection of fellows; Standardizing onboarding; Developing & Implementing the not-predetermined pathway	We welcome ideas from our EAB and APAA group members about these priorities as well as others.

\*Please note we will be recording the meeting and breakouts for note-taking purposes
